

Studying Comparative Literature & Society prepares me to . . .

Communicate at an advanced level in one non-English language and with basic proficiency in a second

Draw connections across disciplines and cultures to analyze ideas, problems, and situations

Conduct research using interdisciplinary methods, with primary and secondary sources

Evaluate sources and the quality of information

Synthesize information into a coherent structure

Write clear, organized, and persuasive texts

Clearly explain and present information orally

Employ evidence to support or refute an argument

Cite and document sources

Understand and translate across cultures and perspectives
